On 7th March, in municipality of Vrapciste one day training for private forest owners was held. The training started with a welcoming speech of the project coordinator and member of REFORD, Mr. Daniel Gjenchevski and the President of the National Association of Private Forest Owners (NAPFO), Mr. Vojo Sokolovski. The training was conducted by the expert Mr. Vladimir Stojanovski. In order to strengthen the capacities of the target groups, the training was on topics related to the following priority areas: Rights and obligations of private forest owners in RN Macedonia, Lobbying and advocacy processes as well as financial opportunities for private forest owners. Also, the training was focused on improving the mutual and communication with the general public, especially the tools and possibilities for involving the PFOs in all processes at the local level, as well as better representation of the interests of the citizens.
